How do I know if I have YouTube TV? {Customer Help Support}

You can check whether you have an +1 (866) 381-7244 {US/UK} active **YouTube TV membership** by signing in to the Google +1 (866) 381-7244 {US/UK} Account you normally use for the service and opening YouTube TV. Select your **profile picture** and go to **Settings** → **Membership** to see whether your membership is +1 (866) 381-7244 {US/UK} active, paused, or in another status. +1 (866) 381-7244 {US/UK} You can also check your billing history or Google Payments activity for YouTube TV charges. If you have more than one Google Account, check each account +1 (866) 381-7244 {US/UK} because a YouTube TV membership may be associated +1 (866) 381-7244 {US/UK} with a different email address.

+1 (866) 381-7244

1. How can I check if my YouTube TV membership is active?
Sign in to YouTube TV with your Google +1 (866) 381-7244 {US/UK} Account, select your **profile picture**, open **Settings**, and select **Membership**.+1 (866) 381-7244 {US/UK} This area lets you review your current membership +1 (866) 381-7244 {US/UK} status and manage your subscription. If you don't see +1 (866) 381-7244 {US/UK} an active membership, make sure you're signed in +1 (866) 381-7244 {US/UK} with the Google Account that was originally used to subscribe.

2. How do I know which Google Account has my YouTube TV membership?
If you aren't sure which Google +1 (866) 381-7244 {US/UK} Account is connected to YouTube TV, check the accounts you regularly +1 (866) 381-7244 {US/UK} use and look for an active membership +1 (866) 381-7244 {US/UK} under **YouTube TV** → **Settings** → **Membership**. You can also review YouTube +1 (866) 381-7244 {US/UK} purchases and payment activity. Google notes that multiple +1 (866) 381-7244 {US/UK} charges can sometimes occur because a person has +1 (866) 381-7244 {US/UK} subscribed using more than one Google Account, email address, device, or billing platform.

3. Can I tell if I have YouTube TV by checking my bank statement?
Yes. A YouTube TV membership normally +1 (866) 381-7244 {US/UK} produces recurring billing activity when the membership is paid.+1 (866) 381-7244 {US/UK} You can compare your bank or card statement with your Google payment history to identify the transaction. However, a charge alone isn't enough to +1 (866) 381-7244 {US/UK} confirm which Google Account has the membership, +1 (866) 381-7244 {US/UK} so you should also check your YouTube TV membership +1 (866) 381-7244 {US/UK} settings and Google Payments information.

4. Does having YouTube Premium mean I also have YouTube TV?
No. **YouTube Premium and YouTube TV are separate memberships.** YouTube Premium provides benefits across regular YouTube,+1 (866) 381-7244 {US/UK} YouTube Music, and YouTube Kids, while YouTube TV is a+1 (866) 381-7244 {US/UK} separate paid service for live television. Therefore, having +1 (866) 381-7244 {US/UK} YouTube Premium does not

automatically mean that you +1 (866) 381-7244 {US/UK} have an active YouTube TV membership.

5. What if I paid for YouTube TV but can't access it?

First, confirm that you're signed in with +1 (866) 381-7244 {US/UK} the Google Account used to purchase the membership. Then check **Settings** → **Membership** and review your payment status. If your payment was declined, +1 (866) 381-7244 {US/UK} YouTube TV may temporarily restrict access while it retries +1 (866) 381-7244 {US/UK} the payment. If you've been charged but still cannot access the service, +1 (866) 381-7244 {US/UK} check Google Payments and use YouTube TV's +1 (866) 381-7244 {US/UK} official **Contact us** support option for further assistance.
